1	Versions 2005 – 2008. Excludes conversion of QuickBooks individual payroll transactions. For additional information on conversion limitations, please visit www.peachtree.com/qb
2	Requires Microsoft Outlook 2002, 2003 or 2007; Outlook Express 5 or 6; other MAPI compliant e-mail programs.
3	Sage Software is not liable or responsible for any fines or penalties that may result from errors in your company accounting records. The Internal Accounting Review is not intended to uncover all questionable transactions.
4	Additional fees, Internet access and credit card required.
5	Compliant tax forms and tax tables require a subscription to Peachtree Simple Payroll or Peachtree Select Payroll. For details see www.peachtreepayroll.com or call 877-231-3761.
6	Annual subscription fee required. Your subscription includes all the latest federal tax law changes plus coverage of two states of your choice. Includes over 230 federal and state forms. Year end payroll tax forms (such as W-2s and 1099s) are updated at the end of the calendar year. Registration and valid e-mail address required. Forms for PR and US VI are not supported.
7	Annual subscription fee required. Your subscription includes all the latest federal tax law changes plus coverage of two states of your choice. Includes over 230 federal and state forms. Year end payroll tax forms (such as W-2s and 1099s) are updated at the end of the calendar year. Forms manually filed where electronic filing is unavailable. One employer identification number ("EIN") per subscription (if you have more than one EIN, please call 877-231-3761). Registration, authorized signature, Internet access, and valid e-mail address required. W-2 form delivery to employees requires additional fees. Additional fees may apply for late filing. Subject to third party terms and conditions. Forms for PR and US VI are not supported.
8	Subject to approval. Additional fees, internet access and credit card required.

9	Excel, Outlook and Word integration requires Microsoft Excel, Outlook and Word 2000, 2002, 2003 or 2007.
10	Upon upgrading to Peachtree 2009, 3 years of converted Peachtree Financial Statement data and account balance data on General Ledger reports will be readily accessible, as well as any future closed years will be available.
11	Includes access to 100MB of Storage space for one year from date of installation. Upgrade to next Peachtree release required to continue free yearly service beyond initial term. Subject to third party terms and conditions. Internet access required. Terms, conditions, pricing, features and service options subject to change without notice. Windows Server 2000, Windows Server 2003 and Terminal Services are not supported.
12	Additional fees, internet access and credit card required.
13	Outlook Sync supported in Exchange 5.5 SP4, 2000 SP2, and 2003.
14	UPS functionality is subject to UPS terms and conditions. Internet access required.
15	The products and services provided by Add-On Partners have undergone a product review by Sage Software developers. Add-on Partners are third-party vendors. Sage Software and its affiliates are in no way liable or responsible for claims made related to the products or services produced by third-party vendors. Sage Software does not warrant or guarantee the quality of third-party products or services. Please direct your inquiries regarding add-on product warranties to the appropriate third-party vendor.
16	Subject to approval and to Sage Software terms of service. Additional fees, internet access and checking account required.
17	Internet access required. See www.peachtree.com/banks for a current list of supported banks, which is subject to change. Your bank may charge a fee to download statements.
18	For multi-user access, you must purchase one single-user box per named user or one Multi-use Value Pack for up to five licensed named users. See System Requirements. For greater than 5 licensed named users visit www.peachtreequantum.com .
19	Regulatory compliance requires paid subscription. Additional fees apply for more than 200 assets.
20	Microsoft Windows XP Home Edition and Windows Server 2000 not supported
21	Multi User licenses available in of packs of 10, 15, 20 or 30. A maximum of 30 licensed, named users is allowed. Only the first 30 named users selected in the user maintenance screen are considered licensed, named users.
22	Peachtree does not impose a hard limit on database capacity, however, individual performance will vary depending on actual number of transactions, database size, and number of concurrent users. Data management efficiencies are also realized in the Peachtree 2009 products.
23	The Peachtree Business Care Plan (which includes product upgrades, updates, and customer support) will be renewed automatically each year on the anniversary date of your purchase unless you terminate your agreement prior to that date. Renewal is not required to continued access to product updates for supported versions.
24	Support Specialists are available from 8:30 am until 8:30 pm ET Monday-Friday, and reserve the right to limit a call to one hour or one incident.
25	Retainage is available only in companies using accrual based accounting.
